RODI TOUNTCHEVA

GEMMA VERLEZZA-ORTEGA

The image shows two overlapping screenshots of a data table. The table has a header row with columns for 'Student ID', 'Name', 'Score', and 'Grade'. The data rows are filled with blue and white cells, representing a grid of student performance data. The top screenshot shows a larger portion of the table, while the bottom screenshot shows a smaller portion, focusing on the 'Score' and 'Grade' columns.
